Don, Margo had asked Sarah to walk down to see Gina and run thru the OMB slides with her. Sarah tried to locate Gina a little while ago and she was tied up on the 3rd floor and then apparently heading out for dinner. I am attaching the slides in the hope that you may have a chance to share with Gina. Also, Gina could give Sarah a call if she'd like a quick update on a few adjustments we made since the briefing for Gina. Thanks.
